### **CODE OF CONDUCT**

Sportsmanship is expected at ALL times from players, parents & spectators. The Raiders will not tolerate any acts of inappropriate behavior & unsportsmanlike conduct. The league states that it is the presidents responsibility to control their fans at all times. We can not do this alone & need your support. If you are in a situation where the other team is doing something inappropriate, please immediately notify Tammy or a board member and **we** will address the issue with the opposing teams president. We have a specific complaint procedure with the league that we need to follow. We had a very difficult day against the Rochester Hurricanes last weekend with negative comments from the visiting team & fans. While I understand it is hard to ignore, it is our expectation that you bring it to our attention immediately & not engage in similar behavior. If at anytime we see our players, parents or spectators displaying poor conduct, we will ask you to leave the field. Please remember why we are here. We are here for the kids. We as adults need to set the example of appropriate behavior, regardless of what another team is or is not doing. Let's represent our organization with class. Thank you in advance for adhering to our code of conduct. Please see Tammy with any questions.

### **A VERY SPECIAL THANK YOU TO OUR 2011**

Doors open at 5pm, the competition starts at 5:30 & our girls will perform around 6:30pm. Your coaches will tell you what time to arrive. The girls should dress in full uniform w/hair done.
